Welcome and thank you for showing an interest in being a part of the Student Leadership Team. We hope you will find the application process to be interesting and enriching regardless of the outcome. This application represents a significant departure from the standard way of selecting student leaders. In addition, some leadership positions have been added or deleted to better fit the current organization. If you have any questions about the process or your application, please do not hesitate to contact me at any time. Good luck, and work hard to best represent yourself through this process.

Your candidacy will be judged on the following criteria:

- 1. Past performance
- 2. Quality of your application
- 3. Future leadership potential
- 4. Best fit for the individual and organization

When completing the application, be thorough, complete, creative, and honest. Don't say what you think your sponsor might want to hear. Say what you really think. Leaders are people who can offer something new and different to the organization. This application process is structured so that you will gain insights into yourself as a person, so please be honest and thorough. You need to open up and show the person that you truly are, or what you aspire to be. Whether you are chosen to participate in the office you apply for is not the end goal. Dig deep inside, answer the questions, and complete the service project with the intent of learning something new. Please do not fill out this application unless you are prepared to participate in the leadership training process.
